

2020 Amateur Year End Award Requirements

Important information for amateurs for 2020!

As many of you know, the Amateur club is working hard to fund lots of great prizes for our year end awards program. In order to continue this great tradition we ask that the amateurs do one of the following this show season:

1. Obtain a \$100 sponsorship or sponsor a class yourself. *We prefer to obtain sponsorships by August 1st.*
2. Bring an auction basket for our silent auction held at The Trophy Circuit.
3. Work 4 hours at one of our shows.

By completing one of the above tasks, you will have fulfilled your amateur awards requirements and will be eligible for year-end awards, provided you have the necessary points.

Tami Jennings will be keeping track of activities completed toward year-end award requirements. Please keep her up to date on what you have done by e-mailing her at tami1965.tj@gmail.com or catching up with her at a horse show.

VERY IMPORTANT: All year end award requirements must be completed and presented to Tami by the last day of The Emerald which is September 13th. No exceptions.

Thanks and best of luck to all of our exhibitors this year!!
