

WSQHA is proud to celebrate 40 years of the Northwest Emerald and the tradition of the Masters Futurity. This futurity will be an open 2-year-old class. The horses may be shown at any time prior to the Masters.

Machine Made along with Dr Candice Hall and Dr Cory Seebach continue to host our famous Masters Party. Machine Mades legacy and home in the Northwest are the perfect fit for the great field of two-year-olds available in the Northwest.

Dave Girling brings his support in memory of his wife Corina and those we have lost as a reminder of the importance of our family and friends in our equine industry.

Solid Ideas continues to support the Masters with the fantastic owner gift baskets.
