

WSQHA is proud to continue the tradition of the Northwest Emerald Masters Futurity. We are excited to bring change as we keep our traditions alive. This futurity will now be an open 2-year-old class. The horses may be shown at any time prior to the Masters.

Machine Made along with Dr Candice Hall and Dr Cory Seebach continue to host our famous Masters Party. Machine Mades legacy and home in the Northwest are the perfect fit for the great field of 2-year-olds available in the Northwest.

Dave Girling brings his support in memory of his wife Corina and those we have lost as a reminder of the importance of our family and friends in our equine industry.
